

2011 Living Word Goals

WORSHIP, LEARN, SERVE and CELEBRATE

1. Continue developing and begin implementation of a Journey of Discipleship.
 - All of Living Word personally involved in missions.
 - Investigation of alternative worship services (e.g. house churches, campus ministries, Gambrill Gardens, Easter or Christmas Eve services held outside of Living Word).
 - Intentional learning opportunities at important transitional times for groups and different ages and stages (e.g. newly married, families with elem. age kids, families with youth, empty nesters, recently retired).
 - Create a culture and habit of invitation (not limited to worship only).
